

An ECC Hours Opportunity for FY Students - Disability Sensitisation!

Dear First-Year Students,

Welcome to the new academic journey at St. Xavier's College, Mumbai. You may have classmates who may be somewhat different (disabled). You may wonder how they will function and cope. How do disabled persons cope anyway? To know this, join us for an hour-long fun-filled Disability Sensitisation workshop titled "**Antarchakshu 2.0[®], Season 8 – the Eye Within!**". The workshop will have activities and dialogue that will foster your understanding of disabilities.

Please note that **attendance is compulsory** for this session. You will also be awarded **3 ECC hours** upon attending and submitting the feedback form immediately.
